- 9.2 While the Consultant's method of work is its own, the Consultant shall comply with the reasonable requests of the Government and shall use its best endeavours to act in the best interests of the Government in relation to the Consultancy Services.
- 9.3 The Consultant warrants that:
 - (a) the Consultancy Services shall be performed and completed in an impartial, timely and diligent manner and that the Consultant, each member of the Consulting Team and every person employed, used or engaged by the Consultant in the performance of the Consultancy Services shall use all the experience, skills, care and diligence in the performance of the Consultancy Services and the discharge of all its duties and obligations under this Agreement as may be expected from a person who is an expert in providing services of a kind similar to the Consultancy Services;

- (b) the Consultant, the Consulting Team and the Consultant's permitted sub-contractors, if any, have the necessary skills and experience to provide the Consultant Services hereunder;
- (c) each and every member of the Consulting Team shall devote all of his or her respective time, attention and energy to the Consultancy Services and shall deliver the Consultancy Services up to the standard as expected of first-rate, deeply knowledgeable and experienced professional consultants in respect of this type of consultancy project;
- (d) the Deliverables will, so far as they do not comprise material originating from the Government, its employees, agents or contractors, be original works of authorship and the use or possession thereof by the Government or the Consultant will not subject the Government or the Consultant to any claim for infringement of any proprietary rights of any third party; and
- (e) the Consultant has applied for and shall maintain at its own costs and expense during the subsistence of this Agreement all necessary approval, licences, permits and registrations which may be applicable to the Consultant, the Consulting Team and the Consultant's permitted sub-contractors, under Federal, State or local laws of the U.S.A. with respect of the performance and delivery of the Consultancy Services under this Agreement.

10. CONSULTING TEAM

- 10.1 Subject to the other provisions of this Clause, the Consultant shall ensure that the Consultancy Services are performed by the individuals named in The Consulting Team Schedule.
- 10.2 The Consultant undertakes that all Consultancy Services hereunder shall be provided by members of the Consulting Team as specified in the The Consulting Team Schedule who have been approved by the Government for the purposes of providing Consultancy Services hereunder. In the event of the death, incapacity or termination of employment with the Consultant of any approved member of the Consulting Team before the Completion of the Consultancy Services, the Consultant shall at its own expense and as soon as practicable arrange to substitute or replace the member concerned. For the avoidance of doubt, the Consultant shall not charge for the briefing time to bring the substitute or replacement up to speed.
- 10.3 The Consultant shall ensure that the substitute or replacement is no less qualified in terms of relevant experience and qualifications than the outgoing member and is available at the relevant time to act as such replacement or substitute. The Consultant shall without delay forward curriculum vitae of the proposed substitute or replacement to the Government

Representative and shall warrant that it is complete and accurate in all material respects. The deployment of such substitute or replacement shall be subject to the Government Representative's prior written approval. In the event that the Government reasonably objects to or is not reasonably satisfied with the proposed substitute or replacement, the Consultant shall forthwith forward a curriculum vitae of another substitute or replacement, who shall be no less qualified or experienced as aforesaid, for approval.

11. MODUS OPERANDI

- 11.1 The Consulting Team may be required to work over-time or outside office hours off-site or in other places from time to time as may be directed by Government or required by the workflow.
- 11.2 The Consulting Team shall not receive any dedicated secretarial or other administrative support from the Government.

12. OWNERSHIP, COPYRIGHT AND OTHER INTELLECTUAL PROPERTY RIGHTS

- 12.1. All the Materials and all the Intellectual Property Rights in all the Materials shall be and shall remain the exclusive property of the Government and shall vest in the Government absolutely at the time when they are created.
- 12.2. In the event and to the extent that any of the Intellectual Property Rights in the Materials is deemed for any reason not to vest in the Government pursuant to paragraph 12.1, then, upon request by the Government, the Consultant shall forthwith, free of charge to the Government, assign or otherwise transfer or cause to be assigned or otherwise transferred the same to the Government free of any encumbrance or compensation to the Consultant.
- 12.3. The provisions of paragraph 12.1 shall not apply to the following type of property ("Licensed Property") namely that of a kind which is available publicly or generally within the business of a kind similar to that to be provided by the Consultant under the Agreement or which is or was specifically produced or created solely and exclusively in relation to services, other than services provided or to be provided to the Government under the Agreement, and which is incorporated or used in the Materials or otherwise used by the Consultant in the performance of the Agreement. The Consultant shall keep the Government informed in writing of any of the Materials that are subject matter(s) of the Licensed Property or any pre-existing Intellectual Property Rights and any restrictions whatsoever affecting the use thereof.
- 12.4. The Consultant undertakes to acquire all the requisite consents and licenses for the benefit of the Government for the use and reproduction of the Licensed Property

incorporated in the Materials for any purposes for which the Government may in its absolute discretion use the Materials.

- 12.5. Upon request by the Government, and in the event of the expiration or termination of the Agreement, the Consultant shall at its expense promptly deliver to the Government all copies of the Materials then in the Consultant's custody, control or possession.
- 12.6. The Consultant hereby waives and will procure all the authors concerned to waive all moral rights in the Materials and the Licensed Property, such waiver to operate in favour of the Government, its licensees, assigns and successors in title and to have effect upon the vesting of Intellectual Property Rights or the grant of the licence (as the case may be).
- 12.7. The Consultant shall ensure that no Intellectual Property Rights of any third parties have been or will be infringed as a result of the Consultancy Services and shall indemnify the Government against any loss or damage which the Government may sustain or incur as a result of any allegation of or claim for infringement of the Intellectual Property Rights of any party arising from or in any way related to the Consultancy Services or the use or possession at any time whether before or after the execution of the Agreement of the Materials by the Government.
- 12.8. Upon request by the Government, the Consultant shall, free of charge to the Government, do all such things and sign all such documents and instruments as may be reasonably necessary in the opinion of the Government to enable the Government to obtain, defend and enforce its rights in the Materials.

13. CONFIDENTIALITY

- 13.1 All materials and data furnished by or on behalf of the Government in connection with this Agreement, materials created or produced during the Consultancy, and the terms and conditions of the Agreement shall be treated as confidential information. The Consultant shall not, during the continuance of this Agreement or at any time thereafter, disclose to any person (including without limitation any associates or associated persons, directors, officers, employees or agents of the Consultant who are not members of the Consulting Team, except to the senior management, legal and compliance personnel and auditors of the Consultant and then only on a need-to-know basis) any confidential information, PROVIDED that the restrictions on disclosure contained in this Clause shall not apply:
 - (a) to the disclosure of any information to any members of the Consulting Team in circumstances where such disclosure is necessary for the performance of the Consultant's duties and obligations under this Agreement;
 - (b) to the disclosure of any information already known to the recipient other than as a result of disclosure by a breach of the confidentiality obligation of the Consultant,

its Associates or Associated Persons, directors, officers, employees, agents or any member of the Consulting Team or its sub-contractors including without limitation professional advisers;

- (c) to the disclosure of any information which is or becomes public knowledge other than as a result of disclosure by a breach of the confidentiality obligation of the Consultant, its associates or associated persons, directors, officers, employees, agents or any member of the Consulting Team or its sub-contractors including without limitation professional advisers;
- (d) to the disclosure of any information in circumstances where such disclosure is required pursuant to any law, regulation, rule of any relevant stock exchange, or order of a court or arbitral authority of competent jurisdiction;
- (e) to the disclosure of any information to the Consultant's permitted sub-contractors, professional advisers, directors, officers, employees or agents where such disclosure is necessary for the performance of the Consultant's duties and obligations under the Agreement; or
- (f) to the disclosure of any information with the prior written consent of the Government.

The Government shall have the right to determine in good faith at any time whether any information is within that described in (b), (c) or (e) above and the Consultant shall comply with that determination. For the purpose of (e), if at the time the Government discloses the information to the Consultant, the Government does not expressly state that the information cannot be distributed to the persons named in (e), the Government shall be deemed to have consented to the disclosure of that information to those persons but such disclosure shall be strictly limited to the performance of the Consultant's duties and obligations under the Agreement.

- 13.2 Any disclosure permitted under Clause 13.1 shall be in strict confidence and shall extend only so far as may be necessary for the purpose specified in Clause 13.1 and the Consultant shall ensure the confidentiality of any such disclosure by taking all appropriate action to restrain or restrict any further disclosure.
- 13.3 The Consultant shall not make use of or reproduce any information, report, chart, document, plan, software, data or other particulars or information whatsoever relating to this Agreement furnished by or on behalf of the Government other than in the performance of its obligations under this Agreement and shall not make use of the Deliverables or any Materials or computer models produced or created in relation to the performance of its obligations under this Agreement other than in the performance of its obligations under this Agreement or with the prior written consent of the Government.

- 13.4 The Consultant shall not without the prior written consent of the Government publish, either alone or in conjunction with any other person, in any newspaper, magazine, periodical, film, video, or other medium, any confidential information relating to the consultancy (including without limitation the advice provided by it or the duties undertaken by it under this Agreement).
- 13.5 The Consultant shall inform every person to whom any information, report, chart, document, plan, software, data or other particulars or information relating to this Agreement is disclosed pursuant to this Clause of the restrictions on reproduction and disclosure attaching to such information and the Consultant shall require such a person to notify the same restrictions to any other person to whom it makes any such disclosure.
- 13.6 The Consultant shall procure its associates and associated persons, its sub-contractors, each member of the Consulting Team and its professional advisors, directors, officers, employees and agents referred to in Clause 13.1 above to execute a legally binding written undertaking in favour of the Government and the Consultant jointly and severally in a form prescribed by the Government agreeing not to disclose any such confidential information and the Consultant shall provide the original or certified true copies of all such undertakings to the Government as may be required by the Government. The Consultant further agrees that, if so required by the Government, it shall take all such steps as are lawful and necessary to enforce such undertakings or to cooperate with the Government in their enforcement.

14. CONFLICT OF INTEREST

- 14.1 The Consultant shall during the term of this Agreement and for six (6) months thereafter:
- (a) ensure that it (including its associates and associated persons, each member of the Consulting Team and each of its sub-contractors and their associates and associated persons) shall not undertake any service, task or job or do anything whatsoever for or on behalf of any third party (other than in the proper performance of this Agreement) which conflicts, or which may be seen to conflict (including, for instance, providing similar Consultancy Services in the U.S. for other South East Asian governments), with the Consultant's duties to the Government under the Agreement; and
 - (b) forthwith notify the Government in writing of all or any facts which may reasonably be considered to give rise to a situation where the financial, professional, commercial, personal or other interests of the Consultant or its associates or associated persons, or any of the Consultant's sub-contractors or any member of the Consulting Team or their associates and associated persons, conflict or compete, or may conflict or compete, with the Consultant's duties to the Government under this Agreement.

- 14.2 The Consultant shall provide the Consultancy Services under this Agreement to the Government on an impartial basis without giving favour to any particular product, service or equipment in which the Consultant, any of its permitted sub-contractors, members of the Consulting Team or their associates or associated persons have or may have any financial or other interests. The Consultant shall notify the Government in writing immediately upon knowing of any actual or potential, direct or indirect, financial, professional, commercial, personal or other interests which such persons have or may have in, or of any association or connection which such persons have or may have with, any product, service or equipment proposed or recommended by the Consultant under this Agreement.
- 14.3 The Consultant shall procure its associates and associated persons, its sub-contractors, each member of the Consulting Team and its professional advisers, directors, officers, employees and agents who are involved in the provision of the Consultancy Services to execute a legally binding written undertaking in favour of the Consultant and the Government jointly and severally in a form prescribed by the Government agreeing to observe Clauses 14.1 and 14.2 and the Consultant shall provide the original or certified true copies of all such undertakings to the Government as may be required by the Government. The Consultant further agrees that, if so required by the Government, it shall take all such steps as are lawful and necessary to enforce such undertakings or to co-operate with the Government in their enforcement.
- 14.4 The Consultant shall ensure that its associates and associated persons, each of its sub-contractors and each member of the Consulting Team and their associates and associated persons shall inform the Consultant and keep it informed regularly of all facts which may reasonably be considered to give rise to a situation where the financial, professional, commercial, personal or other interests of such persons, conflict or compete, or may conflict or compete, with the Consultant's duties to the Government under this Agreement.
- 14.5 Notwithstanding the expiry or earlier termination of the Agreement, the Consultant shall ensure that it (including its associates and associated persons, each member of the Consulting Team and each of its sub-contractors and their associates and associated persons who are involved in the performance of the Consultant's obligations hereunder) shall not (whether on its own or in joint venture with others), submit any bid in any competitive bidding process or accept any appointment as consultant for, or otherwise be interested in or involved in any manner in any subsequent exercise for the procurement of any goods and/or services arising out of this Consultancy.

15. ASSIGNMENT AND SUB-CONTRACTING

- 15.1 The Consultant shall not assign, or otherwise dispose of or transfer or sub-contract any rights, benefits, interests, duties or obligations under this Agreement, in whole or in part,

without the prior written approval of the Government PROVIDED that nothing in this Clause shall prevent the Consultant from obtaining advice and/or assistance from such advisers and/or other persons as it may consider necessary for the proper performance of its duties and obligations under this Agreement.

- 15.2 Any assignment, transfer or sub-contract which requires the Government's prior written approval shall be in a form approved by the Government and the Consultant shall remain fully liable to the Government for its undertaking, performance and completion of the Consultancy Services as if any such assignment, transfer or sub-contracting had not taken place.
- 15.3 For the avoidance of doubt, where all or any part of the Consultancy Services are sub-contracted to any person under this Clause, the Consultant shall remain liable for the full remuneration thereof (provided the Government has made the required payments to the Consultant in accordance with Clause 6) and any act or omission of any such person as if such act or omission were its own.

17. CHANGES IN THE SCOPE OF THE CONSULTANCY SERVICES

- 17.1 Subject to the provision of this Agreement, the Government may at any time during the course of the Consultancy Services by fourteen (14) days' written notice to the Consultant, make such changes as are reasonable in all the circumstances to the scope of the Consultancy Services to be carried out under this Agreement. Subject to Clause 6.5, the cost of such changes (if any) and the impact of such changes on the charging and payment provisions of this Agreement shall be mutually agreed in writing by the Government and the Consultant.
- 17.2 Without prejudice to the generality of Clause 17.1 above, the Government reserves the right to modify, reject, cancel or stop any and all plans, schedules or work in process; and in such event the Consultant shall immediately take proper steps to carry out the Government instructions. In return the Government agrees to pay the Consultant, in accordance with the provisions of this Agreement, any and all proper charges earned and incurred by the Consultant in connection with such work up to the time of its discontinuance, cancellation, or modification.

18. FORCE MAJEURE

- 18.1 In the event of Force Majeure, the party so prevented shall be excused from the performance of the obligations under this Agreement for so long as such cause shall continue. The party so prevented shall give notice in writing to the other party as soon as possible of the occurrence of the event of Force Majeure.
- 18.2 Should performance by the Consultant of its obligations hereunder be prevented by Force Majeure for a period of twenty-eight (28) consecutive days or longer, the Government shall be entitled at the expiration of such period to terminate this Agreement by not less than one (1) month's written notice to the Consultant.
- 18.3 Subject to the provision in Clause 18.2 in the event that performance of obligations hereunder is delayed by Force Majeure, the parties shall diligently endeavour to achieve expeditiously the normal pursuit of this Agreement after the event of Force Majeure and to regain the time lost. The completion date of the Consultancy Services shall be extended by the number of days delay was caused whether directly or indirectly by such event of Force Majeure unless a different extension shall be agreed between the parties. In all other respects the obligations of the parties hereunder shall be unaffected.

19. TERMINATION

- 19.1 Subject to Clause 18, if the Consultant fails to conduct the Consultancy to the Government's requirement and satisfaction or breaches any terms of this Agreement, the Government may immediately terminate this Agreement by giving a written notice of termination to the Consultant. In the case of a breach capable of being remedied, if the Consultant has failed to remedy the same within seven (7) days of receipt of a written notice from the Government that the same be remedied, upon expiry of such notice, and without prejudice to accrued rights, the Government may immediately terminate this Agreement by giving a written notice to the Consultant.
- 19.2 The Government shall be entitled to terminate this Agreement forthwith by immediate notice if:
- (a) the Consultant shall go into liquidation (other than a voluntary liquidation for the purpose of amalgamation or reconstruction); or
 - (b) the Consultant shall have entered into any supervision or voluntary arrangement providing for a composition in satisfaction of the Consultant's debts or a scheme of arrangement of the Consultant's affairs; or
 - (c) if a receiver has been appointed over any of its assets.
- 19.3 The Government may also at any time prior to the Completion of the Consultancy Services at its option suspend or terminate the Consultancy by giving the Consultant one (1) month's written notice of such suspension or termination. In such event, the Consultant shall be entitled to receive payment for the Consultancy Services rendered to the Government up to the date of such suspension or termination.
- 19.4 Upon termination of this Agreement prior to Completion of the Consultancy Services on any of the grounds in accordance with this Agreement, all rights and obligations of the parties shall cease to have effect immediately except that termination shall not affect:
- (a) the accrued rights and obligations of the parties at the date of termination and any other rights or remedies a party may be entitled to at law or under this Agreement; and
 - (b) the continued existence and validity of the rights and obligations of the parties under those provisions which are expressed to or which in their context appropriately survive termination and any provisions of this Agreement necessary for the interpretation or enforcement of this Agreement.

19.5 Without prejudice to any of the rights and remedies which the Government may have under this Agreement or otherwise, if this Agreement is terminated prior to Completion of the Consultancy Services in accordance with this Agreement, then:

- (a) the Government shall cease to be under any obligations to make further payment until costs, loss and/or damage resulting from or arising out of the termination of the Consultant's engagement shall have been calculated and provided such calculation shows a sum or sums due to the Consultant;
- (b) the Government may itself complete the Consultancy Services or (at the option of the Government) may engage, use or employ any other consultant to complete the said services and the Government or such other consultant may use the Materials and the Deliverables (whether or not title has passed to the Government in respect thereof) and the Licensed Property or any part thereof for such completion;
- (c) the Government may, without prejudice to its right to recover any sum due from the Consultant, retain any sum due to the Consultant from the Government to set off against any sum, if any, due to the Government from the Consultant under the terms of this Agreement; and
- (d) the Consultant shall refund to the Government any amounts paid in respect of the Consultancy Services which have not been performed as at the date of effective suspension or termination, less such amounts which are proved to the Government's satisfaction to have been incurred and are due to the approved or permitted subcontractors as on the date of termination;
- (e) the Consultant shall without delay assign to the Government any contracts or arrangements with third parties, including any Procurement Services referred to in The Services Schedule, and any unused materials purchased by the Consultant on behalf of the Government or for the purposes of this Agreement subject to having received payments for such Consultancy Services which are performed to the Government's satisfaction up to the date of termination. For the avoidance of doubt, this provision does not affect the Government's right to withhold or set-off any payments respectively under Clause 6.6 and Clause 23.
- (f) The Consultant shall at its own costs and expense, forthwith transfer, assign and make available to the Government or its representative all copies of the Materials and the Deliverables then in the Consultant's custody, control or possession.

20. FOREIGN PRACTICES

The parties hereto mutually agree, for themselves and their employees, agents and intermediaries, that they will not pay, and will not permit or suffer any agent,

intermediary or employee to pay, directly or indirectly, any money or thing of value, to any official of the government of any nation or political subdivision thereof, or any of their agencies, instrumentalities, corporations or ventures, or to any political party, official thereof, or any candidate, for the purposes of influencing the acts, omissions or decisions, in an official capacity, of such official, party or candidate in violation of his/her or its lawful duty or inducing him/her or it to exercise his/her or its influence to affect or influence any act or decision of such government or instrumentality or to obtain or retain business.

21. USE OF THE GOVERNMENT'S NAME

The Consultant agrees not to use the Government's name in any external or public document, publication, advertisements or publicity material without the prior written consent of the Government Representative except pursuant to the Consulting Team's performance of the Consultancy Services and to the extent that the relationship between the Government and the Consultant in relation to the Consultancy Services is public knowledge and, without prejudice to Clause 13, shall not disclose to the media any confidential information relating to the Consultancy Services (including without limitation the advice provided by it or the duties undertaken by it under this Agreement).

22. INDEMNITY

22.1 The Consultant shall indemnify the Government and keep the Government fully and effectively indemnified against (a) any and all claims (whether or not successful, compromised or settled), actions, investigations, liabilities, demands, proceedings or judgments, joint or several, threatened, brought or established against the Government and (b) all liabilities, losses, damages, costs, charges, expenses (including all costs, charges, expenses which the Government may pay or incur in disputing any such claim or defending or such action or proceedings instituted against the Government), and which in any case arise directly or indirectly in connection with or out of, or which relate in any way to:

- (i) the negligence, recklessness or wilful misconduct of the Consultant, each member of the Consulting Team and each employee, agent or subcontractor engaged or used by the Consultant in the provision of the Consultancy Services;
- (ii) the breach by the Consultant of any of the provisions of the Agreement, including but not limited to the breach of any warranties and undertakings herein including the confidentiality restrictions by the Consultant or by any person to whom it discloses the confidential information; or
- (iii) any unauthorised act or omission or infringement of any Intellectual Property Rights or moral or innominate rights of any third party by the Consultant, each

member of the Consulting Team and each employee, agent or subcontractor engaged or used by the Consultant in the provision of the Consultancy Services.

23. SET OFF

Where the Consultant has incurred any liability to the Government, whether at law or in equity, and whether such liability is liquidated or unliquidated, the Government may, without prejudice to any rights or remedies the Government may have, set off, whether at law or in equity, the amount of such liability against any sum then due or which at any time thereafter may become due from the Government to the Consultant under this Agreement or any other contracts.

24. WAIVER

No failure or delay by either party in exercising any right, power or remedy available to it under this Agreement or in law or equity shall operate as a waiver thereof, nor shall any single or partial exercise of the same preclude any other or further exercise thereof or the exercise of any other right, power or remedy. Without limiting the foregoing, no waiver by either party of any breach by the other party of any provision hereof shall be deemed to be a waiver of any subsequent breach of that or any other provision hereof. If at any time any provision of this Agreement is or becomes illegal, invalid or unenforceable in any respect, the legality, validity and enforceability of the remaining provisions of this Agreement shall not be affected or impaired thereby.

25. VARIATION

Subject to the provisions of this Agreement, no waiver, cancellation, alteration or amendment of or to the provisions of this Agreement shall be valid unless made in writing and duly signed by both parties.

26. RELATIONSHIP OF THE PARTIES

The Consultant enters into this Agreement with the Government as an independent contractor only and shall not represent itself as an employee, servant, agent or partner of the Government. The Government does not extend to the Consultant or the Consultant's agents, employees or representatives any authority of any kind to bind the Government in any respect whatsoever.

27. PROPER LAW

This Agreement shall be governed by and construed in accordance with the laws of Hong Kong and the parties hereto shall submit themselves to the non-exclusive jurisdiction of the courts in Hong Kong.

28. PROCESS AGENT

The Consultant shall appoint a firm of solicitors or accountants practising in Hong Kong as its process agent to receive at its address in Hong Kong on its behalf service of process in any court proceedings and arbitration in Hong Kong. Service upon the relevant process agent at this address shall be good service upon the Consultant whether or not it is forwarded and received by the Consultant. If for any reasons the process agent ceases to act or to be willing or able to act as the process agent, or no longer has an address in Hong Kong, the Consultant irrevocably agrees to appoint another firm of solicitors or accountants practicing in Hong Kong acceptable to the Government as a substitute process agent with an address in Hong Kong and to deliver to the Government a copy of the substitute process agent's acceptance of that appointment within seven (7) business days of the substitution. In the event where the Consultant fails to appoint a substitute agent, it shall be effective service for the Government to serve process upon the last known address in Hong Kong of the last known agent for that Consultant notified to the Government, notwithstanding that such process agent is no longer found at the address or has ceased to act or to be willing or able to act as the process agent.

29. GENERAL PROVISIONS

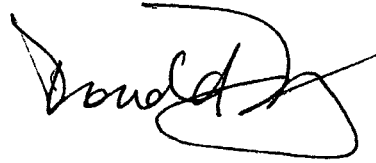

- 29.1 This Agreement shall be executed in two counterparts, each of which when so executed shall be deemed an original and both of which together shall constitute one and the same instrument.
- 29.2 This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all prior agreements, oral or written, between the parties concerning the subject matter of this Agreement. It may be changed only by a written agreement signed by the parties.

IN WITNESS WHEREOF this Agreement has been executed on the day month and year first written above.

Hong Kong's Public Relations Objectives

3. The HKSAR Government's overall public relations objective in the U.S. is to inspire and enhance confidence in the economic and political future of Hong Kong, based upon a better understanding of its present and future circumstances and of its significance to U.S. interests.

4. The main thrust of our public relations effort has been, and will continue to be -

- (a) to reassure the relevant sectors in the U.S. that the principles of "One Country, Two Systems," a "high degree of autonomy" and "Hong Kong people ruling Hong Kong" are firmly in place;
- (b) to maintain business confidence and to reassure existing and potential investors of Hong Kong's continuing economic and political viability;
- (c) to promote and enhance Hong Kong's commercial reputation as a free trader and valuable trading partner;
- (d) to promote among existing and potential investors the opportunities which Hong Kong offers as a gateway to Mainland China as a result of the Closer Economic Partnership Arrangement, and as an important investment destination in its own right;

(e) to inform existing and potential investors of the niches Hong Kong possesses as a business / conference / communications / financial / exhibition / logistics / service / cultural / sight-seeing centre of the Asia-Pacific region, and the business opportunities arising from time to time under new initiatives as promulgated by HKSAR Government (e.g. the six new industries where Hong Kong has clear advantages, wine-related business, off-shore Renminbi-related business);

(f) to promote the unique culture of Hong Kong and its development as a major hub for art and creative industries in Asia;

(g) to position Hong Kong as a leading city in the world for the development and application of information technology, and to promote Hong Kong's information infrastructure and services; and

(g) to position Hong Kong as Asia's world city – the New York and London of Asia.

5. This recognises that corporate investors have focused on Hong Kong's new status as a Special Administrative Region of China after the transition in 1997, as well as Hong Kong's close economic collaboration with the Pearl River Delta Region, as a factor in their long-term investment decisions, as well as trading interests of the U.S. especially subsequent to China's accession to the World Trade Organization.

Target Audience

6. Hong Kong's public relations efforts in the U.S. are targeted at individuals, institutions and organisations which may influence or lead opinions on Hong Kong, become potential advocates for Hong Kong or make decisions which affect Hong Kong's interests. The strategy has been to underline the theme that Hong Kong is one of the U.S.'s best business partners in Asia. Principal target groups include but are not limited to -

(a) Corporate America – top/senior management in the U.S. businesses, particularly those with interests in Hong Kong, China and / or the Asia-Pacific region;

(b) the financial and investment community;

(c) U.S. Congressional members and key Congressional staff;

(d) the U.S. Administration;

(e) U.S. institutions and academia on foreign, international relations, and public policy;

- (f) State and local Government – elected officials and aides in key cities and regions where there is a significant or potential Hong Kong constituency, and
- (g) the media.

Current Public Relations Program

7. To date, Hong Kong has sought to reach its target audience in the U.S. via a mix of personal diplomacy and media relations. Personal diplomacy includes -

- (a) speaking engagements, seminars, meetings and briefings by HKSAR Government representatives based in the U.S. targeted at elected and administration officials in state/local government, business and trade groups, media, think-tanks and academics in key U.S. cities;
- (b) senior Government officials and private-sector visitors from Hong Kong making calls or speaking at prestigious fora in major U.S. cities; and
- (c) sponsoring or arranging influential U.S. contacts or targets to visit Hong Kong, where they will meet senior Government officials as well as non-Government contacts.

8. A media strategy is to be built around these programmes, consisting of targeted interviews, briefings and / or editorial boards, with an emphasis on the business and financial print media. Radio / television / electronic coverage is to be secured, again most often on business or business-related programmes.

9. The 2011-13 programme will be conducted under the direction of Hong Kong Commissioner, USA (CUSA) with the support of Hong Kong Economic & Trade Offices in Washington, D.C., New York City and San Francisco (HKETOs). In addition, the HKETOs work closely with the InvestHK, the Hong Kong Monetary Authority, Hong Kong Trade Development Council and Hong Kong Tourism Board through their offices in the U.S., which together form the core of the Hong Kong representation in the U.S.. A number of major business enterprises also work closely with the HKSAR Government to promote Hong Kong's overall image. They include, for example, the HSBC, Cathay Pacific Airways, and various offices of Hong Kong Associations across the U.S.. The CUSA shall act as the HKSAR Government Representative. The Consultant and the members of the Consulting Team shall take instructions only from the Government Representative.

Scope of Consultancy Services and Deliverables

10. With a view to achieving the public relations objectives as stated in paragraphs 3 to 5 above, the Consultant is required to provide expert advice on the formulation and implementation of the 2011-13 communications and public relations

programme for the HKSAR Government. The Consultant shall carry out the Consultancy Services and work under the steer of the HKETOs. The scope of the Consultancy Services shall include but not be limited to public relations, marketing, event management, research, and communications (including preparing speeches, statements, briefs and press releases), as and when required by HKSAR Government during the Consultancy period.

11. The Consultant is required by the end of the first month of each of the two 12-month periods of the Consultancy to -

- (b) assist the HKETOs from time to time to implement travel plans, including research, preparing briefs, lining up speaking engagements, media exposure, and appropriate promotion/PR activities generally or in connection with particular themes as directed by the HKSAR Government Representative, i.e. CUSA (e.g. enhancing ties between Hong Kong and the U.S. by way of official visits, especially after change of Government leadership in the HKSAR in mid-2012);

- (c) support the HKETOs in their coalition-building on U.S. and international issues affecting Hong Kong's interests, including recommending suitable U.S. visitors to Hong Kong as sponsored guests of the HKSAR Government;
- (d) keep respective HKETOs informed of government initiatives and legislative proposals at state levels that may impact on Hong Kong's interests, especially in key states with strong economic and trade ties with Hong Kong (e.g. California, New York, Washington, Texas) as and when directed;
- (e) assist the HKETOs in developing third-party endorsements and testimony on subjects of Hong Kong interest;
- (f) support and provide expert advice on the HKSAR Government's continuing public relations and media relations activities;
- (g) assist the HKETOs in developing from time to time messages to be delivered on topical issues of Hong Kong and disseminate them to target audiences through various communication channels including possible use of new media; and

Conduct of Consultancy and Acceptability of Consulting Team

14. The Consulting Team must be acceptable to the Government. The Government reserves a right to require a change of its composition or any of its members.

15. The HKSAR Government will assess the acceptability of the Consulting Team on the basis of the information provided in the technical proposal. In preparing its proposal, the consulting firm shall take all necessary steps to ensure that such information is complete and accurate and that the Consulting Team members so proposed are available to perform the Consultancy (if the proposal is selected).

16. Any change in personnel of the Consulting Team will be subject to prior approval by the HKSAR Government. Since the contract will be awarded largely on the basis of the caliber of the Consulting Team, such approval will not be given lightly. The substitute or replacement should be no less qualified in terms of relevant experience and qualifications than the outgoing member.

17. The Consulting Team shall, as and when required by the CUSA, work in coordination with other government bureaux, departments and / or organisations, and their agents, consultants and / or contractors, on projects related to the promotion of Hong Kong.

19. The duration of the Consultancy will be two years, starting from 1 April 2011 to 31 March 2013.

Qualification Requirements

20. To be qualified for the assignment of the Consultancy, the consulting firm must be able to demonstrate the following, and specifically for items (a) and (b) with documentary proofs, in the proposal -

Detailed requirements concerning the qualification of the team leader and the composition of the Consulting Team are provided in subparagraphs (d) and (e) below;
- (d) the team leader must be currently a senior executive in the consulting firm. He/she must have at least 10 years experience (as of the submission deadline of the proposal) in public sector-related service, performing an overseeing and/or managing role. The key supporting consultant(s) in each of the three above-mentioned cities will coordinate with other staff of the consulting firm in the city concerned to form a local team to support the work of the HKETO therein. In case there is more than one key supporting consultant in a city, the firm should designate one key supporting consultant in the city concerned as the lead person to manage the local team and to serve the HKETO therein.

The above qualification requirements are mandatory and failing to meet with them will render the proposal submitted by the consulting firm concerned disqualified from the selection exercise.

Submission of Proposal

21. Technical and fee proposals are to be submitted in separate envelopes with words "Technical Proposal" or "Fee Proposal" clearly marked on the outside of the envelope. Technical proposal should set out the general strategies which Hong Kong should follow in developing such a programme in respect of -

- (a) presentation; and
- (b) programme elements;

taking into account the HKSAR Government's public relations objectives and target audiences.

22. The HKSAR Government expects a proactive and persuasive rather than purely informative programme. The programme should have a well coordinated basic message indicating confidence in Hong Kong's future and be designed to give HKSAR Government representatives strategy, access, exposure, and support.

23. The technical proposal should also include information on the following -

- (a) details of the consulting firm's previous experience in providing public relations services to public sector clients and knowledge about Hong Kong;
- (b) the national network of offices within the U.S. which would facilitate the conduct of the Consultancy Service;
- (c) strength of the consulting firm (e.g. how accessible and resourceful the consulting firm is in areas other than the public relations sector). It would also be an advantage if the

Consulting Team can draw resources from other branches of its firm to support HKETO's public relations programme;

- (d) evidence (e.g. track record, credentials etc.) supporting that the consulting team has a clear understanding of the political and economic situation of Hong Kong (as a Special Administrative Region of China under the "One Country, Two Systems" principle) and the U.S., and the relationship, in particular political and economic dynamics, between Hong Kong and the U.S.;

24. The consulting firm is required to submit in the technical proposal an up-to-date list of clients and to declare the involvement or interest, whether financial, commercial, personal or otherwise, in any group, corporation, organisation matter, whether as an associate or through common directors or otherwise, that may give rise to any actual, potential or perceived conflict with the duties to be performed for this Consultancy. Any involvement or interest declared would be carefully considered by HKSAR Government and would not necessarily debar the consulting firm from being further considered in the selection process.

25. The fee proposal must be a fixed lump-sum fee in U.S. Dollar with breakdowns of professional fees and other expenses on various programme elements. The fee proposal should be kept under seal in a separate envelope. The fee proposal will only be opened for evaluation after completion of the assessment of the technical proposal. Failure to provide the technical and fee proposals in two separate envelopes may lead to disqualification.

26. The fixed lump-sum fee shall be quoted on an all inclusive basis and shall cover all costs, charges and expenses including professional fees, staff costs, air fares and hotel accommodation in the U.S. for any member of the Consulting Team

save and except where the U.S.-based members of the Consulting Team are required by the HKETOs, with the explicit and prior consent of CUSA, to travel outside the U.S. to Hong Kong for the purpose of this Consultancy Agreement (whereby the air fares and hotel accommodation in Hong Kong would be reimbursable). The same exception would apply in case any Hong Kong-based staff of the Consultant are required to travel to the U.S. by HKETOs as communicated in writing by CUSA. No adjustment to the fixed fee to reflect any changing cost or price level will be allowed.

27. The HKSAR Government will only pay the lump sum fixed fee quoted in the fee proposal (subject to the terms of the Consultancy Agreement as referred to in paragraph 65 below) and will not pay or reimburse the Consultant or any third party any other fees or expenses for the Consultancy Services rendered in Hong Kong and/or the U.S..

28. Bidding consulting firms may be invited to present their proposals to the Assessment Panel. The presentation will be done entirely at the bidding consulting firm's own expense.

Performance Monitoring of the Consultant

29. Should a consulting firm be awarded the Consultancy, its subsequent performance will be monitored and may be taken into account when its future bids for other HKSAR Government Consultancy works are evaluated. A consulting firm selected for a Consultancy may be suspended from bidding any new Government consultancy works if its performance is unsatisfactory.

30. The HKSAR Government shall monitor the Consultant's performance in the following ways -

- (a) the Consultant is required to provide the Hong Kong Economic and Trade Office, Washington, D.C., a monthly report on its activities;
- (b) HKETOs and the Consultant and the Consulting Team will conduct half-yearly reviews to evaluate performance and to update the plan for the next half-year period; and
- (c) the Consultant and the Consulting Team are expected to attend regular meetings with the HKETOs at HKETOs' request to monitor the performance of the Consultancy Services and to discuss matters arising therefrom.

31. The Consultancy fee shall be payable by the HKSAR Government to the Consultant in the form of a fixed sum monthly instalments. Unless otherwise expressly provided in the fee schedule, the Consultancy fee shall be inclusive of all staff costs and service fees, which shall be inclusive of all costs, charges and

The Consultant shall provide an invoice to the HKSAR Government not later than the 15th day of each calendar month, together with the monthly activity report which sets out details of the tasks and deliverables completed in the preceding calendar month. The Consultant further agrees that, if so required by the HKSAR Government, it shall take all such steps as are lawful and necessary to enforce such undertakings or to co-operate with the HKSAR Government in their enforcement.

Conflict of Interest

42. The Consultant shall during the term of the Agreement and for six months thereafter:
